

**Bariatric Fusion™** – a new vitamin and mineral supplement – designed and formulated by a Bariatric Surgical Team to meet the needs of their patients. The chewable supplement provides the highest amounts of what the team believes are the key micronutrients vital for gastric bypass patients. The unique, all-inclusive formula uses the most biologically available vitamins and minerals to maximize absorption. Offered in two great tasting flavors, Bariatric Fusion™ gives your patients their necessary Fuel 4 Life.

## YOUR PATIENT'S COMPLETE VITAMIN & MINERAL SUPPLEMENT

- No additional supplements required
- Improved patient compliance
- Costs less than Optisource™
- Contains the most daily Vitamin B12 and Calcium on the market
- All minerals in chelated form

## TWO GREAT FLAVORS!

BARIATRIC  
**fusion™**

## The Best Solution for Your Patients

Bariatric Fusion™ was designed to provide the very best micronutrient source for your patients' needs. Give the people who have trusted you with one of life's most important decisions, the best Fuel 4 Life they can have.

- Custom Vitamin and mineral supplement for the adult Bariatric patient
- Designed by a team of medical professionals for their patients
- Cost effective – no other supplements needed
- 100% sugar free - sweetened with Sucralose
- Contains the most biologically available form of important micronutrients
- No Vitamin K to interfere with oral anti-coagulants
- All minerals in chelated form for better absorption
- Contains both Calcium citrate and Calcium carbonate
- Contains higher amounts of Calcium, Biotin, and Vitamin D
- Vitamin B12 in the form of methylcobalamin - the most readily available
- A flavor for everyone - orange cream or mixed berry

## How can your patients get Bariatric Fusion™?

Your patients can buy Bariatric Fusion™ one of two ways – either directly from you as a reseller – or from the Bariatric Fusion™ website. Either way, your patients are getting the best product to give them the necessary Fuel 4 Life.
